

Life is no brief candle to me. It is a sort of splendid torch which I have got hold of for the moment, and I want to make it burn as brightly as possible before handing it on to future generations.

George Bernard Shaw

This book was our attempt to capture the beauty of life. As you wander through the following pages look into the face of each individual. Only by looking deep into each face can you begin to feel the warmth of the people of Andover. Andover, a valley rich with dreams and ideas surrounded by hills of unmeasurable life.

In the center of this magnificence stands a school which seems to capture this beauty along with an indescribable spirit that one feels in his heart. Through this book we tried to make everyone aware of the land, the people and the love involved in our everyday lives. Let us always remember how beautiful it was and hope that this kind of beauty will never be lost.

Let's give a cheer for Andover High School
And let us pledge to her aright
Others may like black or crimson,
But for us it's purple and white.
Let all our troubles be forgotten,
Let high school spirits rule.
We'll join and give a royal effort
For the good of our old school.
Andover High School! Andover High School!
The pride of every student here.
Come on you old grads,
Join we us young lads,
Andover High School, now we cheer
Rah! Rah!
Now is the time, boys,
To make the big noise,
No matter what the people say.
For there is naught to fear,
The gangs all here.
So Hail, Andover High School
Hail!

These are kids who love to yell and laugh and sing at play,

Here they're trained to yell and laugh and sing the teacher's way.

Memories

Moving to a bigger realm,
Leaving our school's guiding helm;
Will we be prepared?

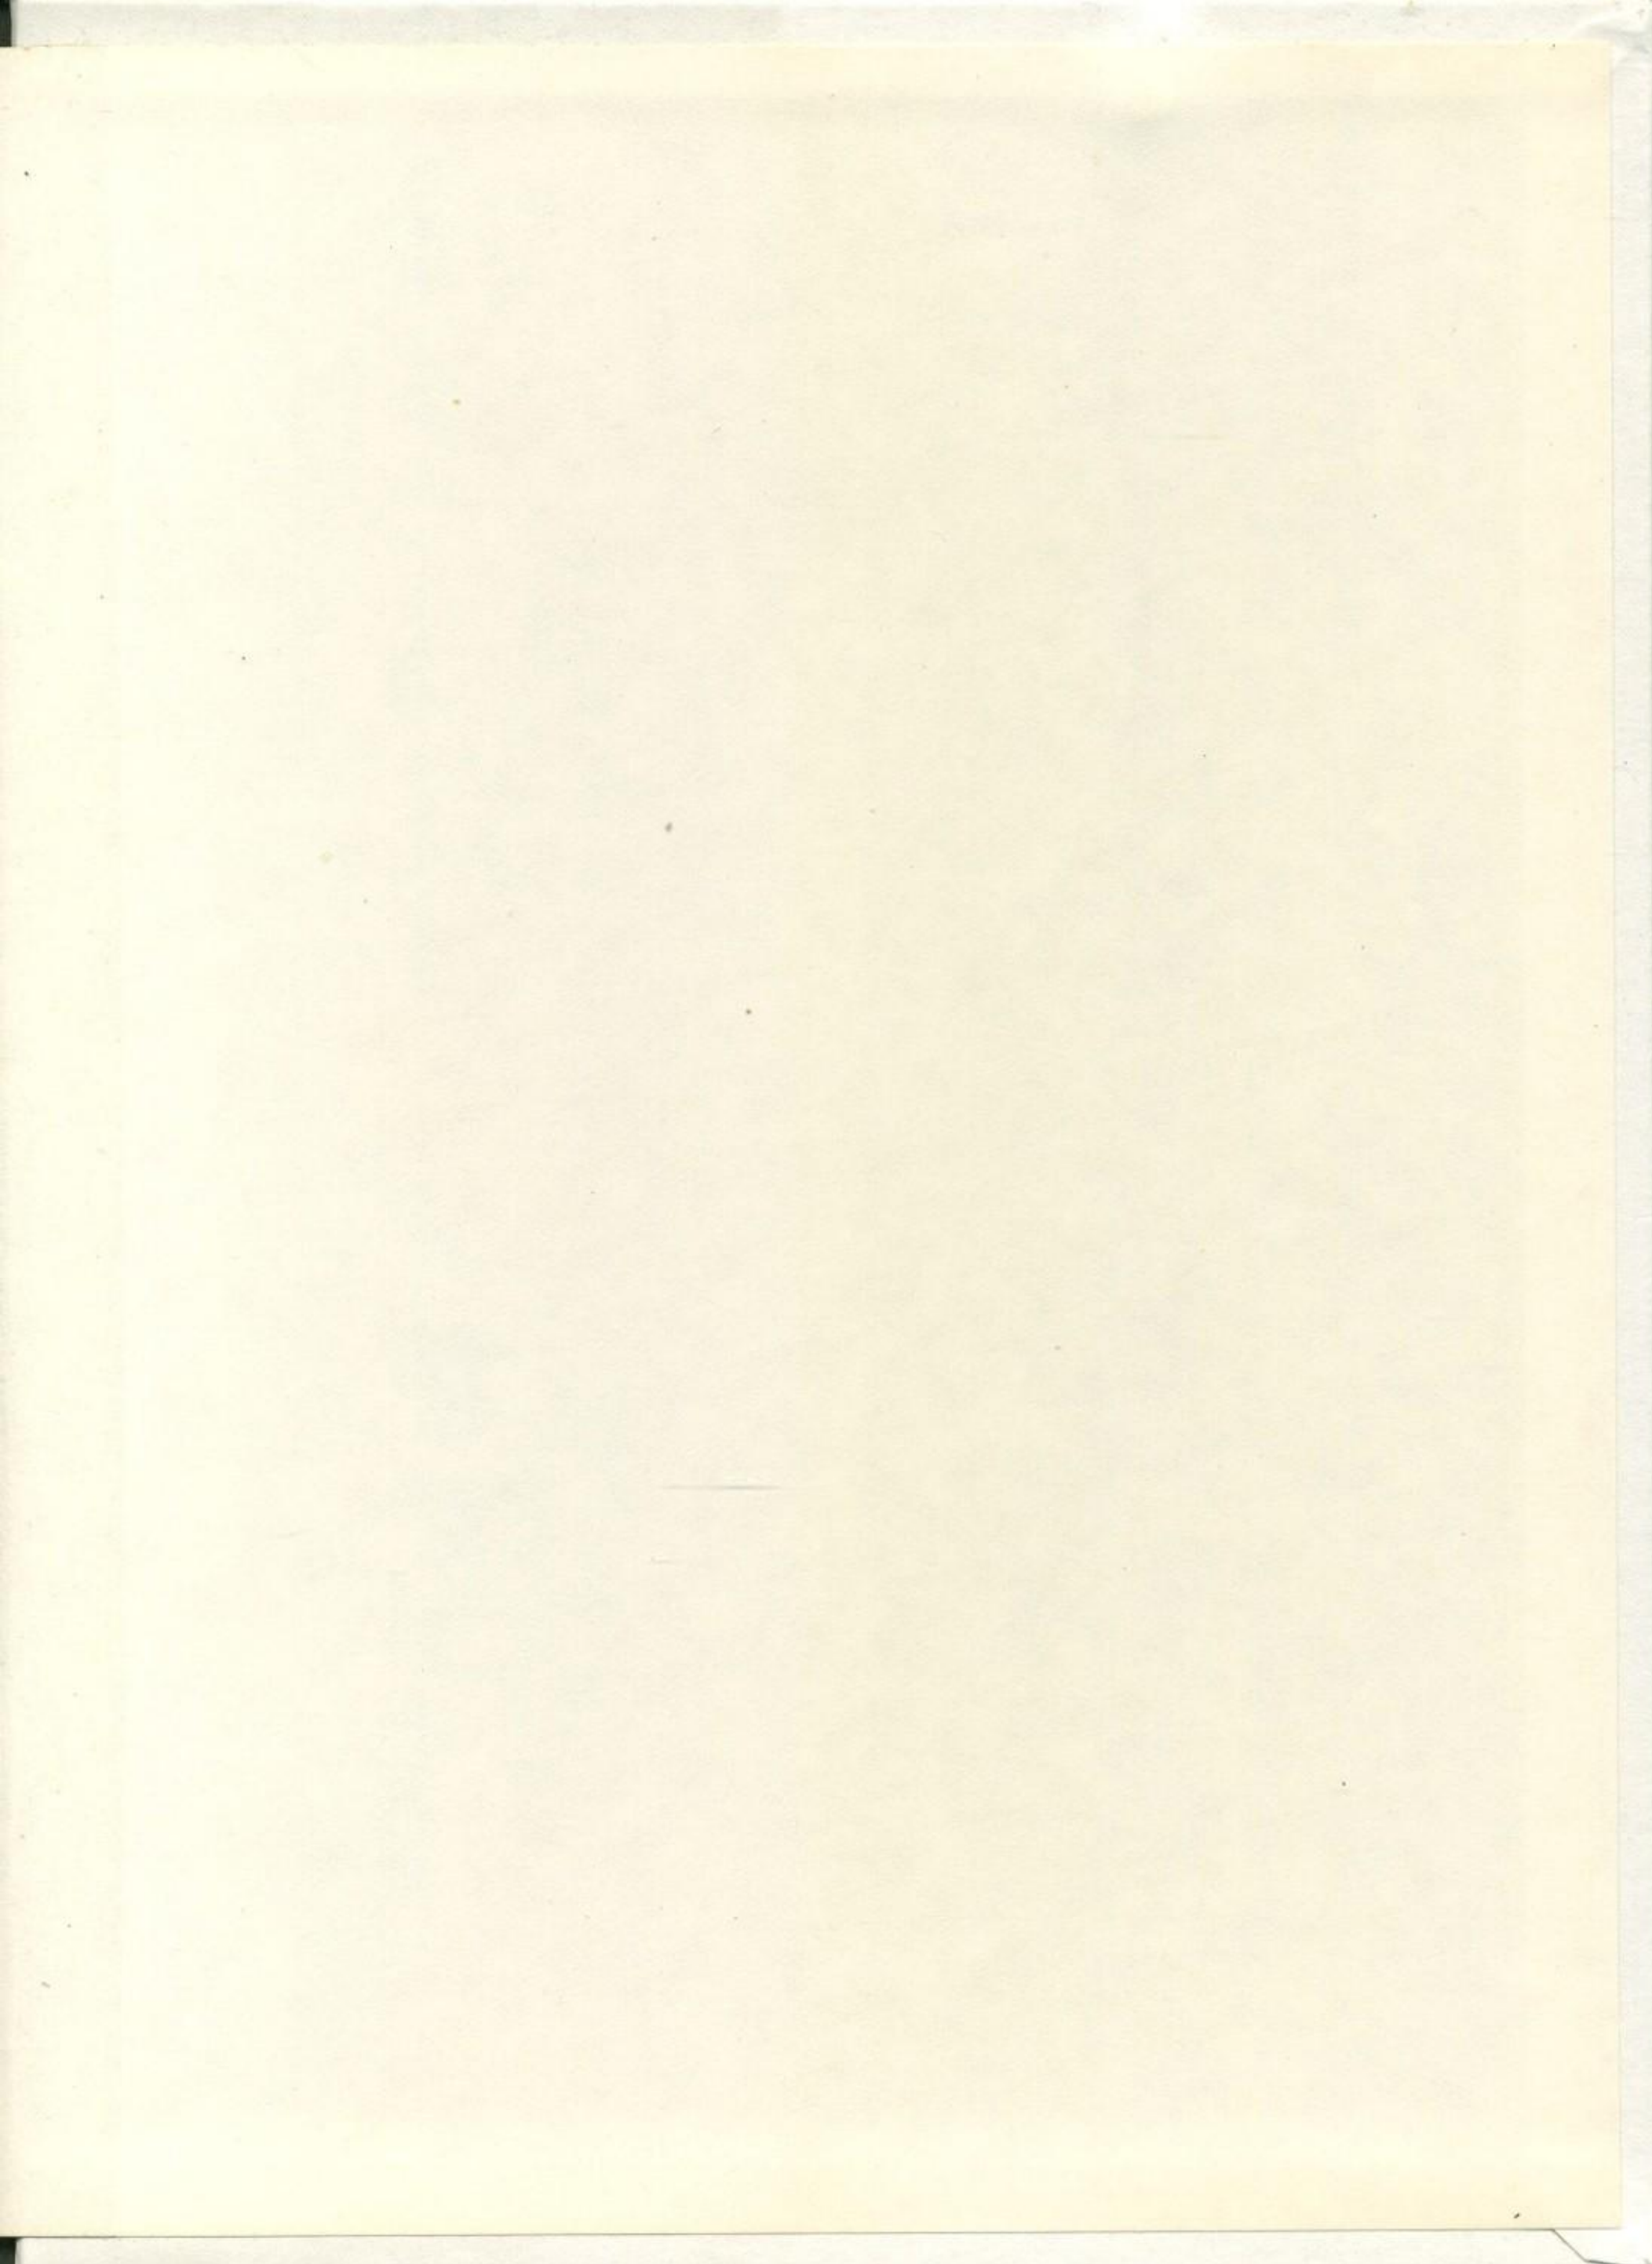

What we learned is just a drip
In the bucket of earth's trip;
Hope we are prepared.

Our schooling gave us a start
That's the most important part;
WORLD . . . BE PREPARED.
